The Young Doctor removes a whig from the "SPARE PARTS" box and flings it onto the floor.

Next I heard the scalp leaving the skull, with a sort of rustle, very like that given by my silk dress when I used to attire myself for a ball.

Rustling noises. The Young Doctor removes a plastic bathing cap from the "SPARE PARTS" box and throws it onto the floor.

I did not feel the least pain, and I listened with curiosity to what the [Young Doctor] was saying to one of those young students, who had come beside me, and from time to time rested his writing board on my abdomen, with very little respect, if I must tell the truth.

One of the student doctors rests his clipboard on the stomach of Mental Health.

They now, with a saw, removed the upper half of the cranium. When the Professor uncovered the brain, there was a general movement of curiosity.

The Young Doctor throws the top of a styrofoam head on the floor.

All eyes, armed with magnifying glasses, were turned to this organ, which, being very carefully raised out of its shell, was placed on a weighing scale.
